

Career Life Connections and Capstone Project Course Outline

BIG IDEAS

<p>Career-life development includes ongoing cycles of exploring, planning, reflecting, adapting, and deciding.</p>	<p>Career-life decisions influence and are influenced by internal and external factors, including local and global trends</p>	<p>Engaging in networks and reciprocal relationships can guide and broaden career-life awareness and options.</p>
<p>A sense of purpose and career-life balance support well-being</p>	<p>Lifelong learning and active citizenship foster career-life opportunities for people and communities.</p>	<p>.</p>

A capstone project, also known as a culminating project or experience is a project that allows you to demonstrate your learning using an area(s) of interest as the basis for the project. You will assemble the project and present it to an audience to demonstrate personal learning and achievement (in and out-of-school), growth and a reflection on your post graduation plan.

Course Layout

Unit	Topic
